111	111	111	111	111	111	111	111						111

*Preliminary figures are subject to change since we have changed a part of POS system starting in the fiscal month of October. However, preliminary figures for the first half are not subject to change.

* 1. "1. Net sales compared to the same month of the previous year" and "2. Number of visitors compared to the same month of the previous year" are both calculated using POS data from PC DEPOT's directly managed stores and subsidiary stores as well as from PC DEPOT PC Clinics.

*Figures shown in "2. Number of customers in the same month of the previous year" are the number of customers who actually made a payment at a checkout counter.

* Net sales from services are the sum of technical service fees, various commissions, and communication charges, etc. The data transmission charges for MVNO business are included in the net sales from services.

* All figures contained in this material are preliminary POS figures. Net sales from services are approximate and include anticipated rebates, etc. It should be noted that these figures will differ from the final financial results.

* Subsidiary stores are the ones managed by PC DEPOT STORES CORPORATION.

■ Announcement

The monthly report for November will be published around December 10.
