The Company has designated Messrs. Takayama and Obayashi as Independent Directors as stipulated in the regulations of the Tokyo Stock Exchange and notified their designation to the TSE.
 5. The reason the Company has chosen Mr. Takayama as a candidate for election as External Director is that it has determined that he is capable of expressing objective opinions to help ensure the soundness of management and supervise business execution because he has a certified public accountant's license and long years of experience in the practical aspects of auditing.

committees, as being an expert well versed in corporate business continuity and information security.

The Company has invited Prof. Obayashi to join its Board of Directors as an expert who has no direct interests in the Company, thus ensuring his independence from management. It believes that this enables him to give advice as an External Director from an objective point of view.

8. Messrs. Takayama and Izawa are currently the Company's External Directors, and they will have served as such for five years when the forthcoming General Shareholders' Meeting is concluded.
9. Prof. Obayashi is currently the Company's External Director, and he will have served as such for four years when the forthcoming General Shareholders' Meeting is concluded.
