^{*2} ROA=Ordinary Income/Average Total Assets

^{*} We have conducted stock split of common shares, at a ratio of 1:100 in October 2013, 1:1.5 in January 2015, and 1:1.2 in October 2016. Per share data are adjusted and calculated based on the assumption that the respective stock splits were conducted at the beginning of the previous fiscal year

^{*} We have introduced J-ESOP, and the shares held in the ESOP trust are recorded as treasury shares
